

## Thank You to LifeLine Sponsors:

“We want to once again thank every LIFELINE sponsor who invested in the lives of our students and leaders this past year. Because of your sacrificial giving and prayer, LIFE 2010 was not only possible, it was transformational for many of our students and leaders. THANK YOU for investing in this generation! Thank you for being a part of the Kingdom! My prayer is that the relationships and investments you have made will continue on...”
