

AYF Student Ministry Fall 2009 News

S~M~S (Sunday Morning Service)

With the new exciting change of our Sunday morning schedule, Jr. High & Sr. High students will also be switching gears into serving their church family. In place of a traditional Sunday school class, students will have the opportunity to serve in a variety of areas. Students can choose to serve during either the 9am or the 10:45am service slot. As we encourage students to serve we also encourage parents to encourage their students to serve! Please take advantage of the Ministry Fair this Sunday and get plugged in!
